Dear Parents,

## Re: Friday P.E. session

As a preparation for starting school your children are going to be taking part in P.E. Next week I will give P.E bags with the Nursery School logo to those children participating. These will be on loan until they leave Nursery School when I will need to collect them back for the next class. The bag will be labelled by me with your child's name on a tag.

If your child only attends nursery on a Friday I will give them their bag on Friday, otherwise you should receive one in time to fill it with their PE kit.

The PE kit should consist of the following; a white t-shirt, P.E shorts with elastic waist band (no buttons or zips), and P.E shoes - preferably with Velcro. These are the ones the local schools recommend. Children will need to bring the bag with them **every Friday**, and take them home each week - where it is worth checking you have all your child's P.E. kit, which will of course be named!

The children should bring a well balanced packed lunch with them but not so much it takes hours to eat! Please no sweets or fizzy drinks. Drinks should be in a bottle that can be re-sealed. Lunchtime is a great opportunity for the children to develop further their social skills in preparation for going to school. Lunch boxes, bags and bottles, do need to be named. Last term we had 4 identical Power Rangers boxes.

Please also ensure that they have a **named** coat, gloves, scarf and wellies each week or a cardigan, a hat and sun screen with them depending on the weather. We are going to have a stimulating, fun, and educational day - but mostly fun!

Please pick your child up promptly at 3pm. as they will be very tired and ready to go home. If you have older children you need to collect from school please let us know if you need to collect your nursery children earlier, especially as the roads all appear to be being dug up and chaotic, and parking a problem at times!
