Fundraising Round Up

Our previous fund raising has enabled the PA to provide a new climbing frame which the children have thoroughly enjoyed playing on. A science experience day will be forthcoming this term and we will also be funding the Easter Party. So we would like to say a big thank you to everyone for helping achieve this.

We will shortly be fund raising specifically to update the IT equipment for the nursery, (this will be in line with current Ofsted recommendations). Look out for the newsletter and poster regarding "Phil the Bag", a scheme which recycles unwanted clothing, shoes, bedding, curtains, belts and handbags. The nursery will be paid by the kilo, so the more we donate, the more we raise!

Easter Party

This year's Easter Party will be on Friday 4th April, from approximately 10am until noon. If the sun is shining then Parents are invited to take a picnic along to the recreation grounds afterwards. Siblings are also welcome.

The children will have the opportunity to:

Make Easter crafts (cards and egg holders), decorate biscuits, have temporary tattoos, make bunny ears and have a boogie in the disco corner! **Bunny face painting** will also be available but please, please, please-no requests!!! There will be an Easter gift for all the nursery children.

We need volunteers to help run the activities on the day, so that those running the tables don't miss out on having fun and spending time with their children. Even ½ hour of your time would be a great help. Please speak to any of the PA members, (see below), to find out more. (All of our email address' are on the Parents contact list)

Parents Association

The PA raises funds for additional activities and equipment that enhance our children's time at Speldhurst Nursery as well as putting on parties at Christmas, Easter and the end of the Summer term. These activities will not go ahead without the support of an active PA. If you are interested in joining us or would like to know more about what the work of the PA entails then please come along to the next meeting which is to be held on Tuesday 20th May, 8pm at The George & Dragon.
