

Speldhurst Nursery School

30/08/2013

Dear Parents,

Afternoon sessions

All children should bring a well balanced packed lunch with them but not so much it takes hours to eat! Please no sweets or fizzy drinks. If we discover we have children with nut and other allergies then we will let you know and you may have to exclude certain items from your child's lunch. Lunchtime is a great opportunity for the children to develop further their social skills in preparation for going to school. Lunch boxes and bags do need to be named. Please send their packed lunch in a **named** container. Drinks should not be cartons as children seldom drink the whole carton, and it makes for a damp lunch box or soggy bin.

In the afternoon, we aim to give them a fun, stimulating afternoon, playing games, working on sounds, early reading skills, numeracy activities, and exploring the world around us, in preparation for going to school.

The children will also have the opportunity on a Tuesday to choose a library book to take home, from books provided by Kent Libraries. They will all be given a book bag at the beginning of term and they can return the book weekly on a Tuesday.

On Fridays, we have our P.E. session, children should bring black or navy shorts, a white t-shirt and plimsolls. If your child wears plimsolls as their indoor shoes at nursery then they can also wear them for P.E.

Please pick your child up promptly at 3pm. as they will be very tired and ready to go home. If you have older children you need to collect from school please let us know if you need to collect your nursery children earlier, especially as the roads all appear to be being dug up and chaotic, and parking a problem at times!

If there are any queries about this afternoon session, please do not hesitate to speak to myself or Nicki.

We are aiming to have fun while we learn!

Lizzie
